

Major Gifts Wish List

Our donors fill an important gap in patient care at CHCB with the purchase of equipment. Good equipment on site helps patients avoid extra travel and expense and in many cases, can save considerable staff time while improving quality. For CHCB, the cost of new equipment is a continual struggle in our budget. Donor support means our limited dollars can be directed where we need it the most; towards the access to care we provide low income, uninsured and homeless residents.

Dental Program

- **Dental Scale Tip** – essential for our refugee patients; for what is often their very first dental cleaning in their lives. *\$831.12*
- **Dental Hand Pieces** – replacement high speed drills for our school based clinic for low income and uninsured children, our Riverside main facility and Safe harbor Clinic. *\$1,216 each*
- **Ultra Sonic** – To clean dental instruments for our homeless community at Safe harbor. *\$2,210*
- **2 sensors for X-rays** – Larger sensors for digital radiography that will allow us to expand care to older kids in high school at the HO Wheeler school site. *\$7,942 total*
- **Help Support our Yearly Denture Bill for Homeless Patients** – Homeless Patients need teeth for eating healthy foods, self esteem and to get a job. A Year of Dentures = \$10,000 (That's 19 pair in the past 12 months!) This requires minimum gift of *\$5,000*.

Medical Program

- **Defibrillator** – keep a heart beating during a medical emergency *\$1,766*
