Supporting future
generations at CHCB

Leaving a Legacy at CHCB

For over 50 years, the Community Health Centers of Burlington has been a powerful force in the lives of Vermonters who face barriers to good health.

Today, CHCB's mission is needed more than ever, as we shape the future with a sensible, effective, quality-driven local health care system. By remembering CHCB in your will or trust as a legacy donor, you will forever be a partner in this enduring care for all Vermonters.

The Community Health Centers of Burlington (CHCB) has partnered with the Vermont Community Foundation to establish a fund that accepts bequests and other planned charitable gifts.

We hope you will consider one.

Your bequest will support an enduring legacy of commitment to the health of our community.

Is a charitable bequest right for me?

If you want to leave some or all of your estate to serve the charitable needs of the Community Health Centers of Burlington, you might consider a charitable bequest to the CHCB Fund administered through the Vermont Community Foundation. Charitable bequests are ideal for individuals who want a simple way for their legacy to endure through the improved health of all Vermonters.

About bequests:

- With a bequest, there are no immediate out-of-pocket expenses.
- You can decide to make a bequest at any age by amending an existing Will or drafting a new one.
- Upon your death, your bequest will go to support the CHCB Fund administered through the Vermont Community Foundation.

Ways to give:

With a charitable bequest you can choose to give a stated dollar amount, a specific property, a percentage of your estate, or many other types of assets.

- Cash
- Property
- Appreciated Stock
- Life Insurance
- Retirement Funds
- Other Non-Cash Assets
