

PSYCHIATRY REGISTERED NURSE

Job Requisition # **21-0101**
Location: **Riverside Health Center**
Application Deadline: **Until Filled**

Hours Per Week: **40**
Status: **FT (1.0 FTE)**
Benefit Eligible: **Yes**

All people share a powerful need for the basic necessities of a good life and a place that understands that good health starts with a caring touch and a kind word. For over 50 years, the Community Health Centers of Burlington (CHCB) has provided access to high quality health care regardless of financial status or life circumstance. We strive to improve the health of all within the communities we serve in an environment that conveys respect, offers support, and encourages people to be actively involved in their own health care. CHCB is an innovative Federally Qualified Health Center with eight sites throughout Chittenden County and southern Grand Isle County. We are an Equal Opportunity Employer.

Position Purpose:

Responsible for facilitating patient care, providing care coordination, care management, direct patient care and patient education to a diverse patient population. Serves as a liaison between Psychiatry Primary Care. Responsible for thorough and accurate patient documentation, and for participating as a contributing member of the Psychiatry and greater health care team.

Basic Qualifications:

Education and Experience

- Registered Nurse licensure
- Good standing with the Vermont State Board of Nursing
- Case Management/Care Coordination experience a plus
- Experience in Mental Health Field

Knowledge, Skills, and Abilities

- Knowledge of information and techniques to care for patients with psychiatric and medical illness including assessing symptoms, treatment alternatives, drug properties/interactions and preventive care measures
- Knowledge of human behavior, differences in ability, personality and interests; learning and motivation; and assessment/treatment of behavioral disorders
- CHCB Knowledge of the principles, standards, and ethics of Social Work and ability to demonstrate such ethics when working with client/patient populations
- Knowledge of transference and countertransference
- Excellent written skills including reading, proofreading, documenting, editing
- Excellent verbal skills including ability to give detailed instruction to others
- Ability to operate standard office equipment such as computer (Microsoft Word, Excel and Outlook, and EHR), phone, fax, printer, and scanner
- Ability to be highly accurate and multi-task and to meet tight deadlines
- Ability to maintain professional poise and calm demeanor in stressful situations
- Ability to work independently, to solve problems creatively and with initiative of improving care provided at CHCB

Licensure, Certification, or Other Requirements

- Vermont State Registered Nurse Licensure
- Basic Life Support (BLS) Certification

To apply for this position, please send a resume and cover letter to: HR@CHCB.org
